FROM THE PRINCIPAL'S DESK

Dear Parents

The release of the CBSE Board Examination results is always a moment of deep joy and quiet pride for every educational institution. Zenith, as its very name suggests, marks not merely the culmination of academic effort, but the rising of young minds towards their highest potential.

This year's results stand as a testimony to perseverance, discipline, and the resilient spirit of our students. Behind every score lies a story of dedication, early mornings, focused hours, moments of self-doubt, and the courage to overcome them. While we celebrate the achievements of our high scorers, we also recognise and appreciate every student who has given their sincere effort, for true success lies in growth and learning.

Education, at its heart, is not confined to marks or ranks. As Albert Einstein wisely said, "Education is not the learning of facts, but the training of the mind to think." Our aim has always been to nurture individuals who are not only academically competent but also morally grounded, compassionate, and capable of contributing meaningfully to society.

I extend my heartfelt gratitude to our dedicated teachers whose commitment and guidance continue to inspire excellence, and to our supportive parents who partner with us in shaping the future of our children. I would also like to place on record a special word of appreciation for Mrs Meesha Gupta for her untiring efforts in bringing out Zenith year after year with such dedication and finesse. Her commitment ensures that the achievements and spirit of our institution are beautifully documented and shared with all.

As our students step into new academic year, may they carry with them confidence, humility, and a sense of purpose. Let this success not be a destination, but a stepping stone towards greater achievements and responsible citizenship.

May each one continue to strive, to grow, and to rise, always towards their own zenith.

With blessings and best wishes.

Principal

EDITOR'S MESSAGE

Dear Readers

As the title “Zenith” suggests, the students of St Joseph’s Convent School, Bathinda continually scale new heights - not only in academics but also in co-curricular pursuits.

I extend my heartfelt congratulations to the students of Classes X and XII for their outstanding performance in the CBSE Board Examinations 2025–26. Your dedication and hard work have truly set a benchmark for the batches to come.

I also express my sincere gratitude to our respected Principal, Sr Ophilia Lobo, for entrusting me year after year with the responsibility of compiling Zenith. Your constant guidance, encouragement, and indomitable spirit of ingenuity continue to inspire us all.

“May the Josephites continue to shine and scale greater heights in the years ahead.”

CLASS X OVERALL TOPPERS

Closing this memorable chapter of Class10 as the topper is an absolute honour, and I credit a huge part of this success to St Joseph's, which has truly become a second home to me. I am deeply grateful to the Sisters for their blessings and my teachers who were always willing to go the extra mile to clear my doubts and make tough concepts a walk in the park. The school's endless cycle of tests was a total game-changer, helping me buckle down and hit my stride long before the actual board exams arrived. At last, I am deeply grateful to my school for teaching me that - with the right support, the sky is the limit.

I am extremely thankful to the school management, teachers, my parents and everyone involved, to help me achieve 99% in my class 10 board exams. It was a wonderful journey all throughout. Due to the excellent teaching of my teachers, I didn't receive any coaching. Tenth grade was my most memorable class. It was just so much more than studies; gaining confidence, endless motivation from teachers and becoming resilient. It was all possible due to the concerted efforts of the institute. I will continue giving my best in all that I pursue.

I secured 98.8% in my Class 10 board examinations, and it was truly a dream-come-true moment for me. I am grateful to my institution for providing me with the strength and confidence to face these examinations with determination. I owe my success to my teachers, who guided me at every step and encouraged me to push beyond my limits. This achievement is the result of the constant support, encouragement, and unwavering faith of the school management, teachers, and my parents, who stood by me throughout this roller-coaster journey.

Scoring 98.8% in my 10th board exams is a huge milestone, and I could not have done it without my school's support. I want to say a big thank you to the school management, my parents, and my teachers for always guiding and believing in me. The steady school routine, regular tests, and assignments kept me focused and motivated. Even during stressful times, my teachers boosted my confidence. This success belongs to my school too, and I am really proud to be a part of this institution.

Achieving 98.6% in the Board Examination is a proud milestone in my academic journey, and I am truly grateful to my school for being an important part of this success. I would like to sincerely thank the school management and teachers for guiding and supporting us from the very first day of 10th grade. The disciplined environment of the school, regular tests, assignments and motivation, every effort by the school helped me to stay focused and confident in achieving my goals.
