Where young voices meet global visions, Solaris MUN 2026 begins.

Solaris MUN 2026 commenced with a vision to nurture informed minds, diplomatic thinking, and responsible global leadership. The Opening Ceremony was graced by Dr Sameer Grover, eminent Consultant Urologist Surgeon, as the Chief Guest, accompanied by his wife, Dr Shweta Grover, a renowned retina specialist in the Malwa region. The occasion was further honoured by the presence of Sr Rose Margaret, School Manager; Sr Shanthi D'Souza, Principal; Sr Cynthia Lasrado, Vice Principal; Sr Elsie Vas, Primary Headmistress; Sr Preetiwanti Bodra, Office In-charge; Sr Grace Maria, Coordinator; and Sr J Nancy, Principal of the Punjabi Medium School.

The grand inauguration commenced with the traditional Lamp Lighting, symbolising the triumph of knowledge and the pursuit of wisdom. A vibrant blend of musical and dance performances added grace and cultural splendour to the occasion. Dr Sameer Grover inspired the delegates through his address, emphasising the importance of dedication, perseverance, and lifelong learning. Sr Shanthi D'Souza further enriched the occasion by encouraging young minds to think beyond boundaries, express their perspectives with conviction, and embrace the values of dialogue and diplomacy. The ceremony set an inspiring foundation for Solaris MUN 2026, celebrating the power of informed voices, critical thinking, and responsible global leadership.

Beyond the Agenda: Issues That Shape Our World

Solaris MUN 2026 was a powerful confluence of ideas, perspectives, and purposeful dialogue, empowering young minds to engage with the complexities of our world. Through research, negotiation, and deliberation, delegates explored pressing issues spanning human rights, humanitarian crises, environmental sustainability, and global policymaking, discovering the power of informed voices and collective action. A defining highlight of this edition was the introduction of The Jungle Book—The Great Jungle Crisis, an innovative committee that blended imagination with environmental consciousness, challenging delegates to reflect on the delicate balance between human progress and the survival of the natural world. Beyond debate and diplomacy, Solaris MUN 2026 nurtured critical thinking, empathy, confidence, and responsible leadership, transforming discussion into discovery and participation into a deeper understanding of the world they aspire to shape.
